

Uniform Policy 080515

The Peninsula Soccer Association supplies shirts, shorts and socks. In order to extend uniform life:

- Uniforms **ARE NOT** to be worn anytime other than games.
- Uniforms are not to be washed with bleaching agent.

Shirts and shorts issued must be handed in (in good condition) to the manager, coach or team rep. within two (2) weeks after the last game. For house league (where t-shirts are distributed) this only applies to the shorts. The player may keep socks.

In the event of loss or excessive damage, the Executive may keep the uniform deposit cheque.

If colours are similar, the home team must change to colours distinct from their opponent.

Teams are required to wear the assigned Peninsula uniforms at all games: exhibition, league, cup and/or tournaments. If colors become a conflict PSA will supply an alternate set of uniforms. This is in keeping with LISA, BCSA and CSA uniform Policy.
