

## **Volunteers Policy 080515**

Peninsula Soccer is an organization that depends entirely on volunteers to operate. One of the parents or guardians of each player should contribute a minimum of 10 hours of volunteer time over the season. (A person may choose to pay a fee at registration in lieu of volunteering.) The club recognizes the time and efforts of coaches, managers and team volunteers, but there are many other essential tasks that need to be done at the club level (I.e. lining fields, photos, fundraising, coordinators, etc.). In this regard, duties of the manager such as oranges, phoning and team scheduling cannot be distributed throughout the team to get credit for volunteering for several parents. The volunteering parent regarding league duties in order to be exempted from the volunteer fee should notify the coach or team manager.
