Anacortes/Sidney via the San Juan Islands
(206)464-6400

Coho Ferry Port Angeles to Victoria

(250)386-2202

Driving from Otter Bay ferry terminal to Sahhali Serenity B&B (9 miles):

Take these instructions with you - click for a print-friendly version of this page.

Follow traffic flow going up the hill from the ferry terminal and proceed approx. one mile to a " **T** " intersection and **STOP** sign.

Proceed two miles to another **T** intersection with a large community Centre in the middle of the intersection..look for the tree climber man in the plaid shirt advertising the Community Hall events...**STOP SIGN IS HERE AND YOU SHOULD TURN SHARP RIGHT**....proceed 300 feet and you go past the Royal Canadian Mounted Police office...

Continue on for two level miles and proceed down a long steep hill and soon you shall be at the Driftwood Shopping Plaza and gas station.

Proceed forward uphill one mile. At Prior Provincial Park (just past Inn on Pender and Memories fine dining) do down hill i/8 mile....(Do **NOT** turn left here or you will go past the school and clinic and you are incorrectly heading for S. Pender.....you want to proceed down a slow curving hill..

Proceed 1,000 feet past the Magic Lake Grocery Store (usually open until 9p.m.) (last pay phone before you get to Sahhali) Proceed approximately 1 mile to Fire Hall No. 2 take bend in road to the **LEFT** and proceed to Magic Lake 600 ft. (if dark, you will see house lights reflecting in the lake)

GO DEAD SLOW PAST THE LAKE (LARGE GRASS AREA...400 FEET) AND TAKE NEXT left onto privates road. There is a new very large Government sign here to indicate clearly **PIRATES ROAD**.....

TURN LEFT ONTO PIRATES ROAD...travel approximately one mile on Pirates Road, go past Cannon Crescent, continue on for another half a mile until you see a large 5x8 **carved wooden sign indicating OAK BLUFFS**...COME TO A FULL STOP (in the dark your headlights will shine on the reflectors blue,yellow and red on this sign)

Proceed up the gentle hill (do not overreact when you see the red and white Dangerous Road signs) placed by the two elderly couples on our road....need I say more.....the road is very

safe, but go slowly as it is narrow....continue on for half a mile gently climbing (in the Fall / Winter fog the roadside reflectors are very helpful)....There are only 6 residents on this road. Unfortunately one resident has placed an "erroneous sign" titled Private Drive....**IGNORE THIS SIGN AND CONTINUE ONWARDS** for another 800 feet where you shall begin a level road leading to our white sign titled "**PARADISE ON THE BLUFF, WELCOME TO SAHHALI SERENITY**" continue onwards for 600 feet which leads you to the main house (warm and welcoming at night with its special personalized lighting). You will begin to appreciate the rugged natural rock outcroppings and the immediate tranquility of Sahhali Retreat....

WELCOME TO PARADISE ON THE BLUFF!

If you become lost or confused, just ask one of the Islanders who are all friendly and helpful....your personal cell phone may be operating perfectly and then lose its signal around the next turn...this is normal...There are payphones at the below mentioned locations:

1. ferry terminal 2. golf course 3. Driftwood Plaza (next to liquor store entrance under cover)
4. The Memories fine dining restaurant entrance (under cover), Canal Road 5. Magic Lake Market on Schooner Way (phone on outside wall under cover)

Call Sahhali for assistance at 629-3664 from the pay phone. There are 11 pay phones on the Penders. **HONK TWICE** and someone will come up the cliff and greet you and indicate where to park...if necessary ring doorbell ! If you are coming off the late Vancouver ferry, please bring your luggage to the front door. Be courteous guests may be sleeping...ring door bell...Thank you.

CANADA CUSTOMS INFORMATION

If you are coming to Canada from other countries, then please visit this site: Canada Customs
Also, if you have other questions, please visit this page: [More info](#)

US CUSTOMS INFORMATION
