A long biographical sketch was compiled during 2005-06 in order to consolidate and confirm the accuracy of information about the life of Dr. T. Glen Hamilton.

In 2006, a shorter version was forwarded to the *Dictionary of Canadian Biography* for use in its forthcoming volume XVI on prominent Canadians who died during the 1930s. Since then, the Dictionary has begun publishing its biographical sketches through its website. Copyright to the final, shortened version will rest with the *Dictionary of Canadian Biography*.

### **UPDATE 2015-06-18:**

The T.G. Hamilton biographical sketch has been temporarily removed from the SRIC website while it is edited for inclusion in the *Dictionary of Canadian Biography* (DCB).

The final version will be published online through the DCB; the editorial process is very thorough and includes translation to French. Publication is anticipated during 2019. At that time, this document will be replaced by a link directly to the T.G. Hamilton biography.
