

Saanich Police issued a media release Monday morning widening the awareness of the arsonist on Ten Mile Point. A fire was also set just off Cadboro Bay Road so all residents in our neighbourhood should be alert.

I will reiterate my recommendations from the previous email sent to Ten Mile Point residents that everyone should be vigilant for suspicious activity and to remove any flammable items from your yard. Empty any newspapers and mail promptly from your boxes and don't place recycling out until just before pickup. If you see any fires or a suspicious individual, please call 911 immediately.

FIREBUG AT WORK IN TEN MILE POINT AREA

The Saanich Police are investigating a rash of fires in Ten Mile point.

From November 8th to 29th, there have been 10 separate fires within a few blocks in the Ten Mile Point area. The fires have happened in the overnight hours from 10pm to 2am approximately.

The fires have thus far been confined to cases of mischief to fences, recycling boxes and garbage bins. One fire involved some wooden beams for a house that was under construction.

Saanich Police Patrol members, Detectives and Forensic investigators are currently involved in the investigation.

Vigilance is suggested for the residents of Ten Mile Point, Cadboro Bay and the surrounding neighbourhoods.

If anybody has any information on these fires they are encouraged to contact the Saanich Police Department or Crimestoppers.
