Dear Residents,

Break-in Warning

A warning has been issued by Saanich Police that there have been several recent break-ins in this area. Thieves entered the homes through upper floor windows by using ladders found in homeowners' yards. To protect your home, please secure your upper floor windows and remember to properly store any ladders on your property.

If you have the opportunity, please inform your neighbors to do the same as not all residents of Cadboro Bay receive our emails.

Update: UVic Application - 7 Storey Parkade

Responding to presentations by the Cadboro Bay Residents Association, the Gordon Head Residents Association and Cadboro Bay residents, the Saanich Committee of the Whole postponed UVic's application for variance and referred the application back to UVic for further consideration.

Many thanks to the residents of Cadboro Bay who attended the meeting and expressed your concerns; your participation was integral to the successful outcome.

We will continue to monitor this application; updates will be available on the website.

If you have questions or need more information, please email me at catalyst007@shaw.ca.
