YOUR ATTENTION PLEASE – IMPORTANT NOTICE

brought to you by the Cadboro Bay Residents` Association (CBRA)

Wastewater Treatment Community Dialogues

The CRD is holding public consultation sessions called ``community dialogues`` for this area and is inviting our residents to have input into Wastewater treatment facility decisions.

The CRD is inviting you to attend hour-long community dialogues where you can let them know what values and principles should be reflected in the decision making process for the Wastewater Treatment Project.

Please note below the date, time and location. It is important you attend to ensure your voice is heard and views are taken into consideration.

The Cadboro Bay Residents` Association urges you to avail yourself of this opportunity. It is important you attend to ensure your views are taken into consideration and our community voice is clearly heard.
