

SOP Part 2 Massilia Appendices

The following Appendices are part of the Massilia SOP but are handled via this separate file due to unresolved problems with having the images combined in one file.

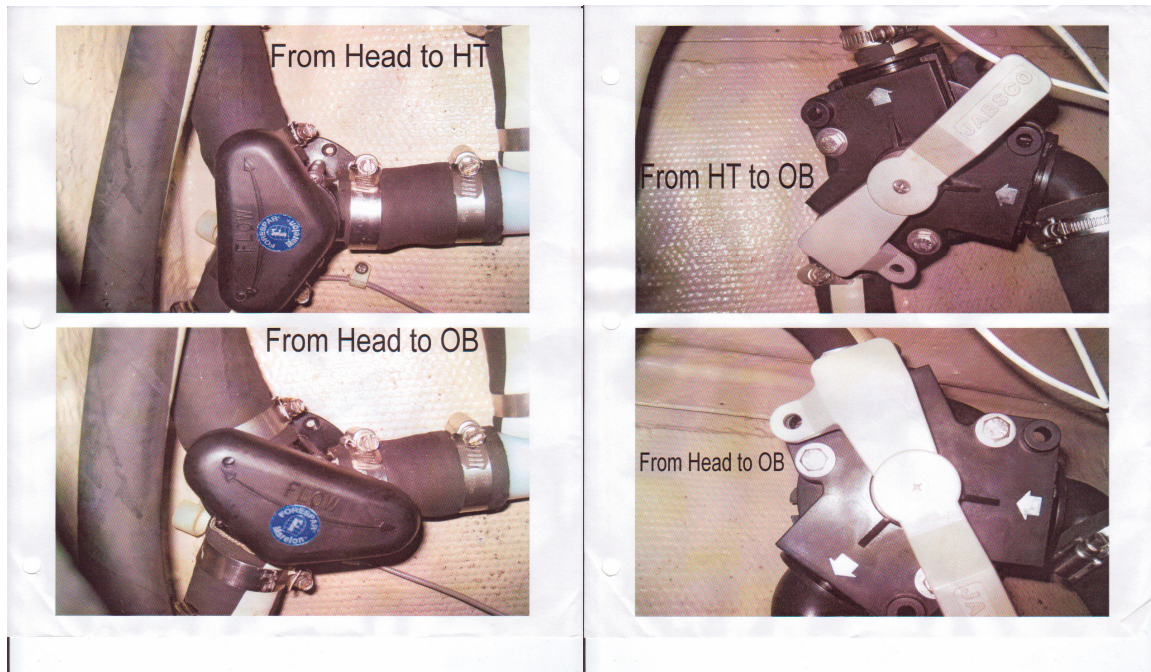

The Plumbing/Head Photos and Engine Diagrams are provided here for reference.

Appendix A: Photos – Plumbing

Through-Hulls

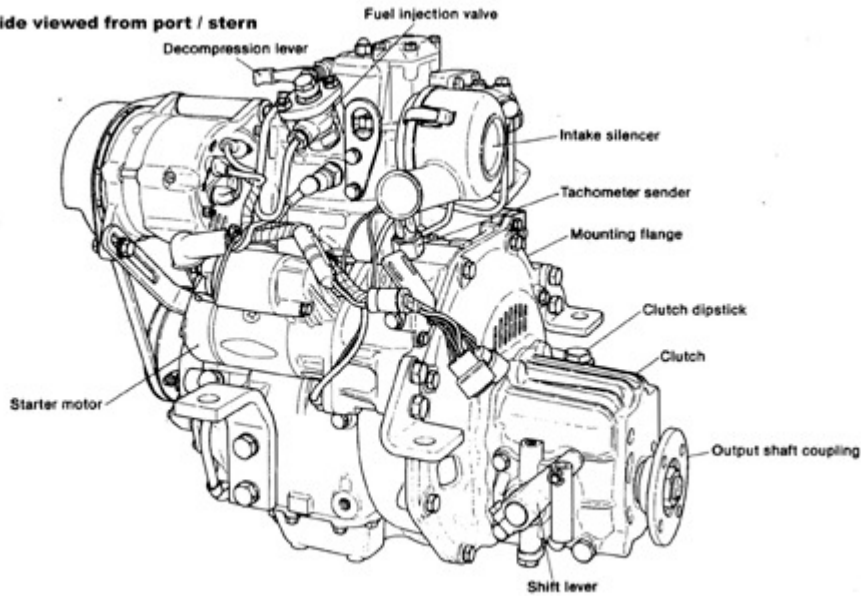

Head Valves

Appendix B: Yanmar 1GM Engine Diagram

Port Side:

1-1.1 Intake side viewed from port / stern

Starboard View

1-1.2 Exhaust side viewed from bow / starboard
